Title: Ritual of Reunification

Author: Unknown

First -- Open the window into the Void by placing the Blackrock Serpent in its proper slot.
Second -- Each imprisoned Bane must be placed upon the altar corresponding to its Principle. Unrestrained Emotion leads to Madness. Unchecked Enthusiasm leads to Wantonness. Unthinking Tolerance produces Anarchy. The Flame of Chaos shall welcome each Bane to its proper place.
Third -- That which shall bond the Banes together must be placed upon the remaining altar. If all is done correctly, Chaos shall be reunited.
